

Jump into N4L's Pond now, using your e-asTTle login details

N4L's Pond is now open to all educators working in New Zealand schools. If you're an educator who has been waiting for an opportunity to get into Pond all you need is an Education Sector Logon with the Pond entitlement applied.

If you're an e-asTTle user it couldn't be easier - you can sign into Pond straight away using the same username and password you usually use to access e-asTTle. Easy!

1. Go to **pond.co.nz**
2. Under **Educators** tab click **Sign In** (you'll be redirected to *Connecting the Sector* landing page)
3. Enter your Education Sector Logon username and password
4. You're in - welcome to Pond!

If you're not an e-asTTle user and need to update your existing account or request a new one, contact the Ministry of Education Service Desk by calling 0800 422 599 (Option 3) or emailing moe.servicedesk@minedu.govt.nz.

Become part of the growing community and enjoy increased collaboration with your peers all while spending less time planning.
